

KECB Newsletter-April, 2022

In March, 2022 our main focus was moving to a new office. Our new physical address is 10 W. Church St. We share the old Commissioner's building with ACTION, Inc. We are on the side that faces S. Oliver with our entrance towards the back of the building. You are welcome to visit but since our hours vary it would be wise to call ahead first (706)-567-0481. Our **mailing address** is Keep Elbert County Beautiful, Inc.
PO Box 6339
Elberton, GA 30635

Our monthly Board Meetings will resume at the new office as we have plenty of room for Board members and visitors. Come see us on the second Tuesday of each month at 5:30 pm.

We welcomed **BodyPlex** for adopting part of Golf Course Rd. and **Elberton Sport and Pawn** for their adoption of Arnold Rd. Thanks also to several volunteers who picked up litter in their neighborhoods or areas that needed attention!

We are beginning to develop a map of places to see on the Granite as Art Trail. We are currently waiting on the granite veneer to be placed around the 3 tiers surrounding the Feather.

Bowman Convenience Center kicked off our quarterly Recycling Events on March 12. We collected 12 computers/TVs for recycling as well as 47 car and truck tires. Residents also brought old appliances and other items for the bulk waste bins.

Coming up in April we have-

April 9- Litter pickup sponsored by **Elberton Sport and Pawn** on Arnold Rd. from 1:30-3:30. Arnold Rd is in the Fortsonia area. Call if you need directions.

April 12- Monthly Board meeting at the KECB office beginning at 5:30 pm. (See location above)

April 20- Mid-week litter pick up from 9-11 am. All are welcome! The location has not been decided, so if you would like to help let us know!

April 23- Annual Pinetown Cleanup- 9-11 am. This is a cemetery cleanup so besides removing any trash we also help with mowing, weed eating and beautification. Please see our flyer in another email or call to request one.

April 30- Initial litter pickup by Pinnacle Bank of Heard Drive, 9-11 am. They adopted this many months ago but unforeseen delays in getting their signs has caused them to wait for a pickup.

April 30- Lander University Alumni have tentatively scheduled a litter pick up at the Elbert Boat Ramp on Hwy. 72 from 9-12 pm.
