

KECB Newsletter-November, 2023

Litter-We had 3 different groups conduct cleanups on their designated roads this month. Lions Club picked up 100 pounds of trash on Petersburg Rd., Pinnacle Bank found 20 pounds on Heard Dr. and Elberton Christian Church men's group (Ground Breakers) hauled over 900 pounds off Mobley Hill Rd. Each of these groups should be congratulated for their dedication to their community. While picking up trash is not the most glamorous activity, we think that most groups will tell you that it is a way to not only give back to your community but also a time to interact outside of work or meetings. KECB also did a midweek/midmonth pickup on Johnson Dr. and sent 60 pounds of trash to the Transfer Station. Only 7 video surveillance reports were made in October.

Beautification- The Elbert County Library got a new makeover. The winter violas have been planted!

Membership- KECB hosted about 60 members and guests to our Annual Dinner. This year it was held at the Civic Center. Besides having some great food to eat, it gave us a chance to talk with members and guests as well as recognizing groups and individuals for their support. KECB began 10 years ago with each year just getting better! Our annual membership drive begins again in January. Thank you!

Education- The second ELEVATE club meeting was held and again we had many students to attend. This month activities included picking up trash around ECMS, thinking of items that can be reused, recycled or reduced. KECB is assisting 4H again this year with this. Start saving candy wrappers.

Coming up in November we have-

We welcome any and all volunteers!

November 11- Recycling and Shredding Event at the Elberton Recycling Center.

November 14- BETA club meeting and cleanup

***November 16-** KECB monthly meeting-this is a THURSDAY but still at 5:30 in the office

November 27- 4H ELEVATE meeting

Lions Club pickup-their 5th this year!

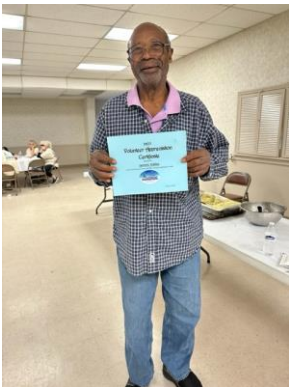

Pinnacle Bank got the Halloween vibe

The Ground Breakers got serious! Over 900 lbs.

Individuals and Groups recognized by KECB

Annual Dinner

Mid-week pickup.

*****START SAVING YOUR
-HARD TO RECYCLE ITEMS
-PAPER ITEMS THAT YOU WANT SHREDDED!**

November 11 is just around the corner!

We will be at the Elberton Recycling Center.

The flyer is posted on the website (kecb.org) on the About and Activity pages.
