

KECB Newsletter-March, 2022

In February, 2022 we were busy with litter pickups at Lithia Springs, with Rotary Club (2) plus our mid-week pickup on Fleming Dr. The Rotary pickup yielded about 450 pounds of trash and Fleming Dr. 220 pounds. Lithia Springs was an illegal dump that was over 700 pounds. When you see large items thrown out please call us or Code Enforcement to report.

A presentation of 2021 in review was given to Rotary Club and at the end of it they presented KECB with a facsimile check for \$2400.00 which will be used to buy more cameras. Did you know that in 2021 there were over 25 litter citations, garnering over \$12,000.00 for the County?

On February 17, a Litter Law Workshop was held for local law enforcement. Law enforcement officers from Elbert Co., Elberton, Elbert Co. Schools, Hart and Lincoln Co. participated. They received POST credit for attending.

The Feather project is moving along and we finally have lights for it. Right now, it has a blue light on it. We are finalizing the veneer facing and the portion that will have the donor names.

*We will be moving our office this month to the old Commissioners office building (10 W. Church St) between the Jim-Ree Museum and the Elbert Theatre. We will share the building with Action, Inc. Our office is on the long side facing South Oliver. The telephone will stay the same (706) 567-0481, but our new **mailing address** will be
