

KECB Newsletter-December, 2025

Litter-We had 5 Litter Pickups in November that were done by groups. Blight Bandits did 2, focusing on the Bowman area, picking up on the Square and on Clark Rd., with a total of 45 pounds. Lions Club finished out their year cleaning up Petersburg Rd gathering 150 pounds, 5 tires and 1 vacuum cleaner. The VFW Post 5456 cleaned up 210 pounds of litter on Country Club Rd.-we are glad to see your group active again! Elberton Christian Ground Breakers group topped the list with 375 pounds of trash and 14 tires! KECB would also like to thank a community service worker for all of the litter pickups they have completed over the past month-more than 100 hours and several hundred pounds of trash. Thank you for giving back to your community!

Beautification- The cold weather finally knocked out our lantana that had been planted. We are planting violas for the winter. Plants are small right now but we should soon be seeing some color.

Membership- Membership steady at 77. Welcome Anderson Academy!

Education- The 4H ELEVATE group did not meet in November. KECB helped the BETA Clubs collect pull tabs for a service project.
