

KECB Newsletter-June, 2023

Litter-While we only had 2 litter collections in May, they were both held by Adopt a Road groups. The Lions Club got the jump on May by cleaning up Petersburg Rd, gathering about 100 pounds of trash. Pinnacle Bank held theirs on May 20. They came up with 40 pounds of trash which may not seem like much but most of the trash found is less than 4 inches long. It might not be as visible as cups and food containers but it is still a blight on our roadways!

Beautification- We finished up Pinetown Cemetery on May 17 and it looked awesome! What a great team of volunteers who helped to make a difference!

Membership-Did you know that becoming a member helps us to increase the number of projects and events we hold? Your membership goes towards funding equipment for cleanups, advertising and signage, beautification projects, both establishing and in some cases maintenance, scholarships, presentations, etc. Currently, we have over 90 annual and lifetime members! Help us to hit that 100 mark or better!

Education-KECB met with the ELEVATE group at ECMS on May 18 for the last ELEVATE meeting of this school year. We are looking forward to next year's partnership! On the same evening, KECB awarded Alex Bennett with the Joe Ray Memorial Scholarship at the Senior Awards Program held at ECMS. Congratulations Alex!

Other-Once again, we were awarded the Governor's Circle Award for fulfilling all the requirements to be an affiliate of KAB and KGBF.
