

KECB Newsletter-July, 2025

Litter- We held our quarterly recycling event at the Elberton Recycling Center on June 14. We took in 28 TV's and computers and 2 tires. Most of the items brought to us were considered bulk waste. In **November** the shredding truck will be here.

Beautification- Do you have any empty, clean 1 gallon milk or water jugs with a **screw on lid**? We need about 15 more that will be used to water the Oglethorpe oak trees we planted at Sutton Park. Please put them between the potted plants at our office if the office is not open. The office is usually open 1-4 Monday-Friday.

Membership- Our membership increased by 1 with the addition of Victoria Medellin our newest scholarship recipient.

Education- Victoria came to our June meeting to introduce herself and to tell us about her educational plans. We wish her well.

Other- The **Transfer Station will be open in July, August, and September.** Please use this facility! We have been asking for this to be open on at least 1 Saturday a month for several years. If it doesn't get enough business it won't continue the Saturday openings. The fees stated are for **1 ton (2000 pounds)** of waste. Most pick up and flat trailers are not going to have more than \$25 worth of waste.

Coming up in July we have- Welcome to any and all volunteers! -call (706-567-0481) or email (kebeautiful@gmail.com) us to find out how you can be involved.

July 8- Monthly KECB meeting beginning at 5:30 in our office. All are invited.
