

KECB Newsletter-October, 2025

Litter- September was a busy month for litter clean ups. KECB partnered with River's Alive for the annual Lower Broad River clean up. 5 volunteers picked up 510 pounds of litter between 8-12 on September 6. Earlier in that week, Bill Hood, pulled another 50 pounds. On 9/20, a team of 8 at Pinnacle Bank pulled 60 pounds off the roadside of Heard Drive. The last clean up, National Public Lands Day-Sept 27- was officially canceled because of the weather but we still had at least 4 hearty souls that braved the rain picking up over 500 pounds at the various boat ramps on Lake Russell.

Beautification- Our new Little Library is in the hands of the Anderson Academy students who are painting it for us.

Membership- Membership steady at 76.

Education- We are happy to report that KECB will once again be working with the 4H group and the 2 levels of BETA (middle and high school components).

Other- At our last Recycling Event we took in 17 tires and 8 TV/computer monitors. There were many other items brought in also.

Coming up in October we have- **Welcome to any and all volunteers! -call (706-567-0481) or email (kebeautiful@gmail.com) us to find out how you can be involved.**
