

Let's Do More in
2024!

KECB Newsletter-January 2024

Litter-We were so pleased to have 2 litter pickups in December! Most folks are so busy with the holidays that helping with a litter pick up is not on their agendas! Sara Swan Cone organized a pickup on Nickville Rd in mid - December that certainly made that a more appealing road to travel down. They picked up an estimated 100 pounds, based on the bags in their photo. The Lions Club added pickup #6 to their community betterment goal. Again, they made 90 pounds of litter and 2 tires disappear from the landscape. We appreciate the efforts of all who do their part to Keep Elbert County Beautiful! Whether you are a member or not, you can always organize a litter pickup. Just give us a call or email us to set it up. We will provide you with pickers, bags, vests, gloves and water.

Beautification-December and January will see volunteers pruning, removing dead branches, planting bulbs, etc. Mostly maintenance work for better looking spaces in the coming months.

Membership- The 2024 membership drive has started. We already have our core of 36 Lifetime members, both individual and business. Membership forms were emailed today (1/2/24) to past members and are also available on our website on the activity page. Help us make 2024 a memorable year by joining! Our membership does not obligate you to volunteering for any projects or events. Your membership supports ongoing and new projects for the Elbert community.

Education- KECB assisted the 4H ELEVATE club again in December. We finished up packing the Trash to Treasure boxes that held empty candy wrappers collected by students and Pinnacle Bank employees over the past year. We ended up with a total of **12.8 pounds!** Start saving those wrappers again!

Coming up in January we have-

We welcome any and all volunteers

January 9- Monthly meeting at KECB office. Join us at 5:30 pm to find out what we are up to.

January 17- Mid-month Litter pickup-(hours will depend on the weather-either 9-11 or 10-12). An email will be sent out a few days before. Do you have a road suggestion for us? Let us know.
